

MAGICALL M5BPRO

Tenveo Magicall M5BPRO is a premium wireless conference speakerphone built for modern meetings. It features USB, Bluetooth 5.0, and Wireless Dongle connections, an 8-microphone array, and a 5W ultra-clear speaker for 360° voice pickup up to 6 meters. With an 8000mAh battery, noise reduction, and full duplex technology, your conversations stay natural, clear, and uninterrupted. Intuitive LED indicators and universal compatibility make M5BPRO the perfect choice for business meetings, remote work, and hybrid conferencing.

Various Connection Modes – Stay Connected in Your Way

USB, Bluetooth 5.0, and Wireless Dongle options of Tenveo M5BPRO give you the ultimate freedom to join meetings. Enjoy ultimate flexibility whether in the office, at home, or on the go.

Professional-Grade Audio – Every Word, Every Detail

Powered by an 8-microphone silicon array and a 5W high-fidelity speaker, M5BPRO delivers 360° voice pickup up to 6 meters (19.69 ft). It ensures clear, natural sound with minimal dead zones—ideal for meeting rooms of 15–30 m², supporting up to 15 participants with exceptional clarity.

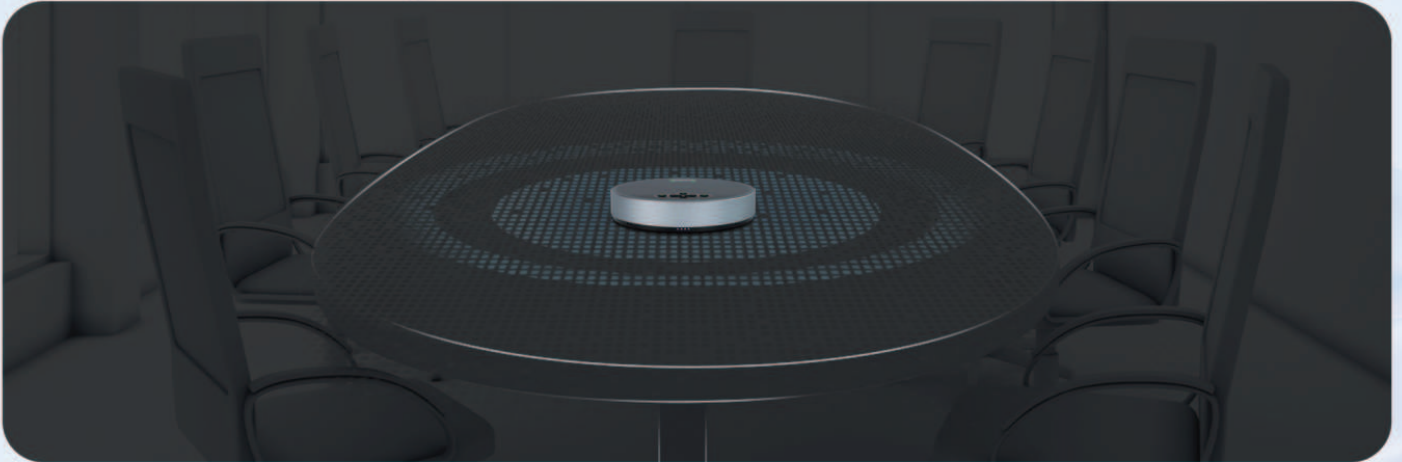

8000mAh Battery – Power That Lasts All Day

Enjoy up to 18 hours of music playback on a single charge with Tenveo M5BPRO. Fast charging takes just 3.5 hours (vs. 7 hours with regular charging) via USB-C with up to 18W power input (supports PD2.0/3.0 charging). Its built-in 8000mAh lithium battery ensures long-lasting performance, keeping your conferences running worry-free.

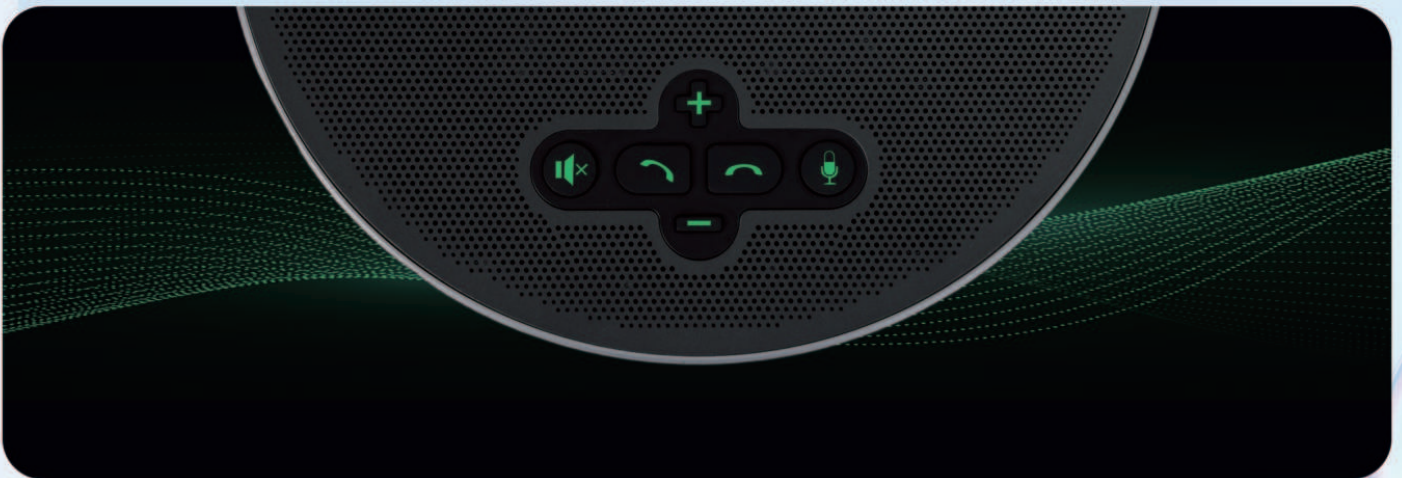

Smart Audio Processing – Clear, Natural, and Echo-free

Experience uninterrupted communication with M5BPRO, featuring advanced noise reduction, acoustic echo cancellation (AEC), and full-duplex technology. Enjoy natural, lifelike conversations without cut-offs—perfect for hybrid meetings and conference calls.

LED Button Indicators – Simple, Smart, Intuitive

Stay in control at a glance with Tenveo M5BPRO's intuitive LED indicators, showing mute, pairing, and charging status. One-touch buttons let you call, hang up, mute/unmute, and adjust volume effortlessly, making every meeting smooth, professional, and stress-free.

Universal Compatibility & Broad Application

Compatible with Windows 7/8/10 and above, macOS 10.7 and above, and Chrome OS v29.0+, M5BPRO works seamlessly with popular software including FaceTime, Zoom, Microsoft Teams, Google Hangouts, OBS, Xsplit, and more—plug & play, no drivers required. Experience effortless and efficient conference calls with Tenveo M5BPRO conference speakerphone.
